• The ride on mower died in the school holidays. We have purchased a new zero turn mower for $5636.37, which was budgeted to purchase this financial year. It arrived today.
• The swimming carnival was very successful. The students were incredibly well behaved and supportive of each other. Thank you to all the parents who came and helped out.
• Student numbers are solid and steady at 251 with 39 kindergarten enrolments and new families in Year 2, 4, 5 and 6.
